ANSWER SCHEME

Tropic and Taxic Responses

Section A

- 1. A
- 2. B
- 3. B
- 4. B
- 5. B
- 6. B
- 7. A
- 8. B
- 9. A
- 10. B

Section B

- 11. Positive tropism
- 12. Chemotropism
- 13. Taxism
- 14. Auxin
- 15. Unidirectional/ one direction

Section C

16.

- i. Tropic responses are slow while taxic responses are fast
- ii. Tropic responses are involve hormones while taxic responses are do not involve hormones
- iii. Tropic responses are plant responses while taxic responses are animal responses

17.

- i. Formation of fruit
- ii. Formation of leaves
- iii. Formation of flowers
- 18. It bends towards light
- 19. A response of a part of a plant to light
